Dear Parents/Guardians:

Toronto Trip 2019

During the days of June 15-21st, 2019 your child will have the opportunity to participate in a trip to our provincial capital, Toronto. The Toronto Trip is an educational experience that has to be earned by the participants. Student eligibility is based on academics and citizenship.

Your child's academic progress is important. The progress of each student has been and will continue to be closely monitored by his/her teachers. He/she doesn't have to be an "A" student to be eligible, but students do have to put forth their best effort, complete classroom assignments and follow the rules.

Your child's citizenship at school and within the community is also important. They must follow simple procedures established for their safety and that of the group. If they experience problems following the Fort Frances High School Code of Conduct, they may not be eligible for the trip. Behaviour guidelines will be sent home with participating students.

The projected trip cost for this year is \$1000.00 per student. The \$1000.00 payment covers all costs related to the trip. Spending money is the responsibility of each student. Refunds for students unable to attend will be based on the number of tickets that have been purchased for scheduled events. The cost of any ticket purchased will be subtracted from the refund as well as a **\$150 non-refundable amount**.

Parents are encouraged to use the SchoolCash online option for payments. Follow the link on the school webpage. Cash will not be accepted as a method of payment.
